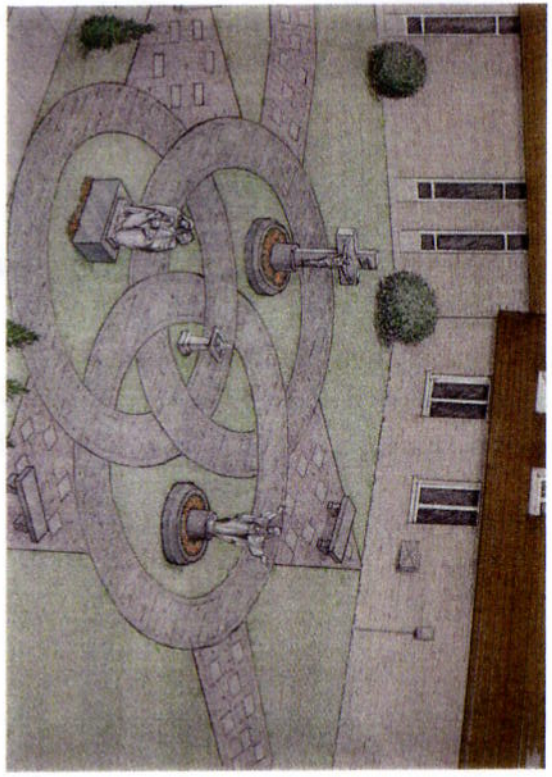
Holy Family Serenity Garden

This new prayer garden project has been many months in the making and will be dedicated to the single most important institution... the family. It is created to be a symbol of the Holy Trinity including statuary that signifies the importance of family. In the center of each ring there will be a statue of the Sacred Heart of Jesus (whose care we entrust all families), a crucifix (the greatest symbol of Hope for our families) and of course a statue of the Holy Family (who we ask to bless all families). Since water is so important to our faith, at the very center will be a water feature. Plantings, benches and walkways will be throughout to create a sense of home.



The Holy Family Serenity Garden will be a gift to our community families in many ways. First it will be a place where families can come and find peace. Second, it will create an external arm of the church itself; a unique place for prayer services, benediction, baptisms and a holy place that will always be open. Third, it will create a place where you can honor your family by dedicating a lasting monument to your family, a past relative or a special family occasion (baptism, wedding, funeral, or other family milestone). For these reasons and many others, the Holy Family Serenity Garden aids in strengthening our families.

Please consider an engraving on an attractive stone bench, a stone brick or granite paver, or on a statue pedestal for your family or extended family. All donations are fully tax deductible as are contributions to Holy Trinity. Proceeds will be used to pay for the garden project as well as maintain this beautiful gift to our families.

Create Your Remembrance

Please fill in the boxes with the wording exactly as you would like it to appear on the item you are purchasing. A space should be left between names and on either side of "&". Allow a space for all punctuation such as apostrophes, hyphens, commas and periods. In accordance with Church policy, all engravings are subject to approval. Please mail or drop off your orders to the rectory.
